

the cook

Flying pots, pan, trowel and dumplings: a cook in the intoxication, the rapture of the kitchen, in the zeal of the fight. Here comes burlesque theater, laced with exceptional juggling and clownery. Besides the difficulty of the acrobatics amaze the comic and absurd flight paths of the everyday objects. This is variété in the best style.

The red thread for menu and buffet - Dinnershow-Entertainment.

With a variety of informal, comic, magical and artistic show „the cook“ converts your banquet into a dinnershow. In consultation with the kitchen and service staff, there is an entertaining sequence, in which also the official welcome words, speeches and others performances will find their place. The actions change the place: they happen between the courses, on the stage or in the middle of the audience.

Duration 7-15 minutes animation: depending on the occasion.

Numerous modules between 2 and 10 minutes

Requirements

Show inserts and animations can be performed under all conditions.

Space requirement: cooking-show 5m x 5m - ceiling height 3 m

Sound Playback
