

the photographer

There is combed, moved, posed and polished until it crashes, flashes, smokes and actually take a picture out of the box. An entertaining show insert past days.

Category

Jubilee, fair, productshow, event ...

The photographer, a curious trick camera and the futile attempt to take a picture of the whole of society. As a connecting element in one program sequence, as a running gag or walk-act. The photographer is always fully engaged and makes sometimes a view free.

Special offers

Polaroids can be distributed immediately (give-away). It can take digital photos to be created.

Bonus material

The photographer and his studio

Category

Productshow, mottoshow, event, gala, anniversary, corporate identity ...
